

# EXHIBIT 110

**Enrollment by Immigrant Status**  
**2019-20 through 2021-22, Final Surveys 2, 3, 5**  
**2022-23, Final Survey 2**

Note: Students are classified based on the Immigrant Student field reported on the Federal/State Indicator reporting format. Codes include Y (student is an immigrant student), N (student is not an immigrant student) and Z (Not applicable, which in previous years was only applied to students enrolled in private schools using the McKay Scholarship). Due to changes in the way data was collected in 2022-23 following the consolidation of McKay scholarships into the Family Empowerment Scholarship program, students reported as either N or Z for survey 2 in 2023 are classified as Not an Immigrant Student.
